

I just wanted to thank the board for appointing me Report of Awards Coordinator.

So far everything is running smoothly or almost. There is a slight glitch in the entering of the Master Champion wins. I've discussed this with Aaron.

Just a reminder to all judges to get those ROA's mailed within 10 days after judging a show. And please remember to check that ALL boxes are marked and that they are signed by you and the show secretary.

Love the new laser printer. Thank you.

That's about all I have.

Sincerely,

Jeff Smith
