Activity of the Youth Committee since June 2017 Board Meeting.

Youth Representation in MEMO

Carrie Graft application was submitted.

Youth Scholarship

We received three applications this year. The committee reviewed the applications and unanimously selected Carrie Graf as the scholarship recipient. Carrie's application was complete, neatly presented, and very well written. Many of the Youth Committee members stated, this was the best application received by the committee in years. There was a consensus we should share Carrie's application in the MEMO. I requested Carrie's permission to publish her entire scholarship application.

The committee would again like to ask the board to return our budget to \$1000.00 allowing the committee the opportunity to award multiple awards.

Committee Members

Pat Kauffman resigned, I will be looking for a replacement from region 5.

Respectfully Submitted
