

## **AGENDA ITEM New Business A**

### ***Proposal***

I move that the board of directors, committee chairs, and/or other officials of NPGA create a glossary of terms to be accepted.

### ***Reasons***

Wording in some NPGA documents can be subject to different interpretation. There are also some contradictions in our publications. A glossary or index of definitions will help clear up confusion.

### ***Advantages***

Clears up confusion

### ***Disadvantages***

None

### ***Financial Implications***

None
