**Central Office Issues:**

**GENERAL:**

No significant problems with the office at this time

**Membership**

Year end membership

I will be providing a report to each director in June with the lapsed members for his/her region over the last two quarters. We have approx 130 memberships which are due to lapse on 7/1

The Current membership total is 1,134 as of 5/10/18

We lost 63 members at the end of March this year. This is slightly less than the normal which is good however new memberships seem to be down from last year's figures. Hopefully we will pick up some numbers in the next month before the board meeting.

**NPGA Coordinators:**

No issues with the coordinators at this time.

**Fillable Registration Form**

The fillable registration form on the website appears to be utilized quite a bit. I do find quite a few errors when people use the form though. People forget to change dates, registration numbers, names on sire/dam etc. I have addressed this problem in my Central Notes message in Memo so that will hopefully help.
