

AGENDA ITEM SUBMISSION FORM

Proposal

I move that:

All references pertaining to the Provisional Judge Licensing and Examination be removed from the Rules & Regulations and Show Rules documents, thus terminating the Provisional Judge program.

Reasons

The Provisional Judge process has been in existence for three years. Prior to last year, of the four provisionals, two were licensed the following year, one the year after that, and one never passed. Three will be tested this year. The program continues to receive mixed reviews from the membership.

Advantages

Terminates a questionable program.

Disadvantages

None

Financial Implications

Perhaps, fewer applicants will be submitted since the lower standards for licensing would be removed, therefore there would be reduced income from application fees.
