

Agenda Item NB A

Proposal: To eliminate the partial wins now given at restricted shows for animals awarded Grand Champion, and to instead give them a full-status win to be earned on a one-time basis only. I propose a change to show rule G.9.b: to now read, "The recorded grand of a Restricted Show shall record 1 full-credit win toward a PGCH status. Once receiving a Grand Champion at a Restricted Show, the animal will be ineligible to compete in any future NPGA Sanctioned Restricted shows." Show Rule G.9.c to be eliminated.

Reason: NPGA has committed itself to promoting and supporting its youth members and families. Giving our youth exhibitors the chance to earn a Grand Champion win, will be a huge nod toward further development of a youth program.

Advantage: Shows youth and their families that NPGA is committed to further support and development of Youth programs. Also may increase numbers of members and families attending an NPGA event.

Disadvantages: None

Financial Implications: None
