

Board of Directors,

Everything seems to be running smoothly for the most part.

I would like to ask that the judges pay more attention to filling out and making sure the ROA's are completely filled out and every box is marked as needed. If there are mailing labels enclosed, please fill them out with the owners name and address. It saves me a lot of time. Sometimes the print is hard to read, and I don't know if I get the correct address.

I was asked to fill in as interim around the middle of November. I received a backlog of about 26 shows that needed to be completed. I emailed Dori to let her know I was having some printer issues. She said mail the certificates as is. They weren't centering in the paper, so I apologize for that. I tried everything and still don't know what is wrong. As of today 12/7/2014, I am completely caught up with only one show to finish, just waiting for them to be mailed to me. I assume those that were not sent to me were already done.

I really do not know a budget for 2015 since I don't have any records from most of 2014. Below is what I have spent for the last part of 2014. If I do get the position, a new printer that works correctly with Windows 8.1 may be needed.

I am reapplying for the Report of Awards Coordinator. Attached is my Resume.

Thank you,

Jeff Smith

NPGA Expenses Ending 2014 – Report of Awards

Postage	Envelopes	Ink cartridge
\$ 52.22	\$ 29.28 (This is for 100)
