# **Business Manager Report**

## **As of 12-7-2020**

### **NPGA Central Office**

#### **General:**

No issues with the Central Office at this time.

#### **NPGA Coordinators:**

No issues with Coordinators.

#### **Membership Roster**

I don't anticipate any changes to the production or fees for a 2021 Roster.

#### **Membership numbers**

We currently show 1,071 current members. There are 104 members who have dues payable before 12/31. Renewal notices were mailed out on 12/1 and I would expect that I will get at least 50% of those paid. It would appear that our membership is in decline again. I can't say for sure, but the fee increase and Covid is most likely the reason for the decline.

I will not be attending the board meeting in January due to health issues with my husband. I will provide reports for lapsing members via email the week before the meeting. I will send reimbursement checks with Linda Shipley.

# **Certification Report**

## **May 31 through December 7, 2020**

### **Committee members and their rotation**

Joyce Hubbard	Reg 1	6/1/21	Vacant	Reg 2

#### **Certification Division:**

No Goats were reviewed during this period. I did send one goat to the Breed Standard but when the owner was asked for additional photos of the goat to review, they did not respond so the matter was dropped and the application returned to the owner.

Still need committee members for regions 2, 3 & 7

#### **Progeny Division:**

This program is now officially closed.
