

# **AGENDA ITEM SUBMISSION FORM**

## ***Proposal***

***I move to change the maximum age for a youth membership to 21 years of age.***

***Reasons: NPGA will be offering the opportunity to participate in youth sanctioned events to members that are in that in-between stage.***

***Advantages: The ages for the proposed Junior Board of Directors will be broadened by the raise in the youth membership age.  
More members will have the opportunity to participate in youth sanctioned events.***

***Disadvantages: Younger youth will have to compete with older members during sanctioned events.***

***Financial Implications: NPGA will experience no financial implications.***
