

AGENDA ITEM L

Proposal

Change From: Show Rules D Regulations for Wethers 9. "Wethers that record the Best Wether win at a restricted show will earn 1/3 credit toward a full win". CHANGE TO: Wethers that record the Best Wether win at a restricted show will earn 1 full credit toward a full win

Reasons

In the past, a Wether received as Full leg for a win at a youth show. A couple years ago this was changed, to discourage adults from having Youth show their animals to receive the full win for the animal. Now that the rules have changed and youth must own their animal for a youth show, this reasoning is no longer needed.

Advantages

Allows wethers to compete and earn legs at a normal rate as in open shows to gain different level status.

Disadvantages

None, possibly that a youth owned Wether could win the 12 legs for Platinum status and could no longer be shown.

Financial implications

None to NPGA
