

Webmaster Report January 2021

Show results through Winter 2020 will be updated shortly.

There are 5 banner ads running.

I continue to pay WSM to provide myself with routine technical support at 1 hour a month (\$149.00). Any overages beyond what I routinely pay for technical needs will be negotiated with the NPGA. There had been some discussion about Aaron Foley (formerly Aaron Esterline, who created the NPGA website) being willing to help with technical support. Did anything come of this? I hate to bug him if he is not particularly willing or able to help with technical issues.

There was a recent issue with a buck recording grand champion wins in the Youth and Open shows on one day that put his wins over the allowed 2 wins before the age of 2 years. The website admin pages will not allow both wins to be entered. The issue was discussed amongst the business manager, ROA coordinator, and the e-board. I feel that some direction from the board may be in order. The buck won 1/3 point in the youth show before entering the open show and winning there. Technically, since there was the possibility that with winning in the open show he would go over the allowed 2 points, he perhaps should not have been eligible to show in the open show. However, this seems somewhat unfair since the NPGA wants to encourage our youth. There is no real provision in the rules to forfeit a previous youth show win so that a subsequent open show win can count.

I have asked that my contract be renewed as is.

Respectfully,

Maggie Leman
