

## **AGENDA ITEM SUBMISSION FORM**

***Proposal:*** I move NPGA Rule and Regulations, Paragraph 2, be deleted in its entirety.

***Reasons:***

***Advantages:*** Brings NPGA in compliance with both RONR and WA Statutes.

***Disadvantages:*** None. Even if this method of handling motions is retained, nothing is gained by its use. Ratification of the Board action must await the next meeting.

***Financial Implications:*** The current system requires several mailings to each director and return mailings from each director for each motion considered. This motion eliminates this cost.
