

AGENDA ITEM E

Proposal: Include Facebook Public Relations and NPGA Information Portal as a NPGA membership benefit

I move that NPGA membership benefits include Facebook Public Relations and NPGA Information Portal

Reasons: Currently, membership benefits do not include the information that members receive on the Public Relations page and NPGA Information Portal.

Advantages: Allows new members to be aware of the information posted on the Facebook Public Relations and NPGA Information Portal pages.

Disadvantages: none

Financial Implications: none
