

## AGENDA ITEM I

Proposal: I move to inserted into the Rules & Regulations, Section 10 JUDGES, E.

A judge is not allowed to stay at a place of residence of any exhibitor whom he/she will or has already judged. It is allowed only if the exhibitor does not show under said judge.

Reasons: It is not ethical to stay with an exhibitor whom is to be or was already judged by said judge.

Advantages: Help to strengthen the Judges Code of Ethics and ensure the perception with other participants at the show that the wins were awarded for merit not friendship.

Disadvantages: None

Financial Implications: None
