### Becky Adams

I am winding up my stint as solo merchandise chair, as of June 10, Diane Woodward will take over portions of the job. She will be in charge of all publications and any other item NPGA wants to carry as an inventory item. (kid pullers), as well as monthly and bi-yearly reports for the board & Dori. I will continue to make made to order clothing. I will keep a very small inventory of publications so when an order includes both we can ship in one package. We can co-maintain the website. I will work with Diane to assure a smooth take-over.
