

# ELECTION COORDINATOR REPORT

## May 2020

It is time for the 2020 elections! Nominations are open to the current membership, and all nominations must reach the election coordinator by midnight, August 15, 2020. Three nominations are required to secure a place on the ballot (see section 4.5 of the By-Laws - Nominations of Directors). Nomination forms can be obtained in The Memo or on the NPGA website under Forms.

Seven regions have a sitting director who is eligible for automatic candidacy if they choose to run. This is just a reminder that the automatic nominees are exempt from the nomination process; *however each automatic nominee will need to confirm their acceptance of the automatic nomination by submitting an updated 150 word biography to the election coordinator by September 1, 2020.*

Only Region 5 has a director rotating off and requiring a new nominate. All VRD positions are current.

Candidates can find a copy of the regional director job description at the following link.

I look forward to working with the members to ensure a smooth election process for 2020.

Sincerely,

Karen Crowder
