

MEMO Editor Report June 2020

The last 2 MEMOS (Spring 2020 and Summer 2020) were 72 and 48 pages each, with approximately 12 pages of standing content. The Spring 2020 issue contained 7 articles including the January 2020 board meeting minutes, the 2019 PGCH, MCH, Plus Does, and Platinum Wethers, articles from the ADT liaison, and 15 show results. The Summer 2020 issue contained 11 articles including news from the Show Coordinator, and 5 show results.

I would still like to get the back cover advertising space sold. And the Back Inside Cover is now available too. Both are \$125.00 issue/\$450.00 year. The Last Page ad space is also available at \$90.00 issue/\$325.00 year. Remember ad space can be shared.

The Summer (June) issue is very sparse in show results for obvious reasons. The September issue, I suspect, will have even fewer. In a way this is good as it will not cost as much to print and mail. The September issue will be in black and white since there is no convention this year.

I still have quite a few Goat World articles to work through.

Show Results on the website will be updated shortly.

Respectfully submitted,

Maggie Leman
