Dear National Pygmy Goat Association Members,

Per NPGA Bylaws Article 4 Section 4.13, the Board of Directors held an emergency meeting on September 15, 2021. This meeting was held in closed session. During this meeting, a motion was brought to the table to remove the Vice President from the E-Board. That motion passed. Following this result, another motion was brought to the table to remove the President from the E-Board. That motion also passed.

Based on the results mentioned above and according to NPGA Bylaws Article 4 Section 4.14, the secretary will resume the role of Interim President. The remaining E-Board members can nominate a replacement for Vice President if they want, but it is not necessary.

Per the Board of Directors instruction, a letter was issued to the members in Region 1 by the Interim President regarding their upcoming election.

If you should have any questions or concerns, please contact Darren Watkins, NPGA Interim President.

Thank you

Darren Watkins
Interim President
