National Champion Buck

PGCH HASS' HAPPY HERD MR. BOJANGLES

Sire: Hass' Happy Herd Morty Beans
Dam: Hass' Happy Herd Ida B. Trouble
Owners: Michael & Heather Putman and/or Deb & Carrie Graf
Breeder: Betsy Hasselbach

Winning the 2026 National Champion Buck was both exciting and rewarding. It was a result of several months of hard work and great bloodlines. We knew Mr. Bojangles was a structurally correct, handsome boy that just needed some time to develop. So once he finished his permanent status in the early spring, we set our sites and goals on the National Championship. This meant a lot of effort had to go into achieving that goal: daily walks, baths three times a week, brushing and blowing out his coat. All those things contributed to a perfect night and, of course, a lot of luck helps too. Winning an honor like this doesn't happen very often and we don't take it lightly and feel very blessed.

National Champion Wether

COUNTRY CRITTERS DAYNE

Sire: PGCH Goose Meadow Kadyn
Dam: Sunnybank Keikis HereComesThe Rayne
Owner: Lauren Nelson
Breeder: Karen Crawford

What an exciting win for Dayne! Dayne's wins are very special to both our herds, Sunnybank Keikis and Country Critters. His momma is Sunnybank Keikis Rayne, hence Dayne. And Rayne's momma is Country Critters Nina Ricci.

Dayne has been a big part of our herd for the last 5 years. I can still remember when Karen called to ask us if we wanted him, she said he was going to go places. LOL, little did we know he certainly was going to go places! He finished on the West Coast 2 years ago as a Platinum Wether, won 1st runner up in 2023 Red Bluff Nationals on the West Coast. And now at 5 years old, he won the title of National Champion Wether on the East Coast.

I love that Karen was there to share both wins. This win was indeed a very special win for us all. Thank you, Karen, for giving us this special little wether! We certainly love him!

National Champion Doe

PGCH MORGAN CROSSING SANCY

Sire: MCH PGCH Morgan Crossing Jackson
Dam: Morgan Crossing Crystal
Owners: Bryson & Donna Staley
Breeder: Eva Morgan

Years ago, when we first started into pygmies we dreamed of owning a herd that would produce a national champion. We have been blessed to be awarded that honor twice. We are so thankful for all the breeders that have allowed us to own their animals throughout the years. We are thankful to all those who have allowed us to cry on their shoulders when things did not go as planned and we are most thankful for all those who have given of their time and knowledge.

This organization is more than the goats we show, it is the people. The support we have received and the genuine attitude of excitement we experienced when our name was called, we will never forget. To be a part of something bigger, to watch our herd from a mismatched combination to now a fluid breeding herd is amazing, and we cannot thank everyone who has been a part enough.

To all those starting out, dream big and hang on through the tough times. It takes years to sometimes see the outcome, but the outcome is so worth the hard times.

From the President's Pen

I would like to thank the Ohio Pygmy Goat Association on a wonderful job hosting the NPGA Convention in Owensville, Ohio. From the hospitality shown to the Board of Directors during our board meeting to the awesome food and friends at the annual membership banquet. I would like to thank all the exhibitors who brought out their champion goats. There was some stiff competition at Friday night's Champion Challenge, and I would like to congratulate all the 2026 National Champion Goats.

During our Thursday board meeting, the Board of Directors discussed agenda items brought forth by the membership to assure the future success of this organization. I personally want to thank each director and the membership for taking the time to attend the meeting to discuss these important topics. It takes a great amount of dedication to be able to attend two meetings a year as well as countless hours outside of meetings throughout the year to address topics brought forth by our membership. Thank you, directors.

Please join us on October 20th at 8pm EST, for our fall quarterly meeting. Zoom link and agenda will be posted to the website soon. Our January Board meeting will be held on January 9th & 10th, 2027 via Zoom. The Board wanted to help save the association money by having the board meeting on Zoom.

Also, don't forget to send your show results and photos into 'The Pygmy Goat Memo' Editor, Brittany, to be published in the next issue. Her email address is npgaeditor@gmail.com.

I'm always open to conversation from the membership on ways you would like to see the NPGA improved. Please contact me if you want to discuss anything.

~Darren Watkins~

The next Board Meeting is **October 20, 2026** at 8pm via Zoom.

Brittany's Blurb

Happy 50th Anniversary! 2026 marks 50 years of the National Pygmy Goat Association. Our year-long celebration continues in this issue of 'The Pygmy Goat Memo' and will be featured throughout the year.

As you saw on the cover, the 2026 National Champions have been crowned. I can say from firsthand experience that was not an easy decision for judges to make, given that so many correct Pygmy does, bucks, and wethers were presented for their respective titles. Congratulations to all the gorgeous goats and their humans! Be sure to visit Page 3 for a closer look at this year's National Champions and Runners Up.

This issue is jam-packed with the Golden Jubilee, including an introduction of our newest judge, Taylor Whitney, on Page 22. Visit Kids' Corner for pictures by Halee Ann Photography of the youth showmen. I also want to say thank you to the Ohio Pygmy Goat Association for inviting me to judge the youth show. Celebrating the next generation of members was a true highlight for me. Since it was the Golden Jubilee, I couldn't resist throwing a little gold confetti into the celebration.

Next, head over to Pages 38 and 39 to join us in celebrating two herds that have made quite an impact on our breed. The Convention fun doesn't stop there. Nope! Turn to Page 47 for more. Finally, the National Convention show results begin on Page 78.

And don't miss Page 41. That's where our look back at the last fifty years begins. Articles from the Archives features the nation's first Pygmy Goat show in 1977, along with the first Master Champion Award in 1978.

As your source for all official organization news, show results, and goat greatness, it is my aim that this publication be full of member content. Remember, each issue needs input for the following series and regular columns: Behind the Barn Doors, History of the Herd Name, Judge's Jargon, Senior Spotlight, Barn Buddies, and more. And of course, I'll take all the adorable photos I can get.

One of the most exciting enhancements to our organization's official magazine is its availability online - in full color! **Visit NPGA-PYGMY.COM and click on 'THE PYGMY GOAT MEMO' tab to view this issue digitally.**

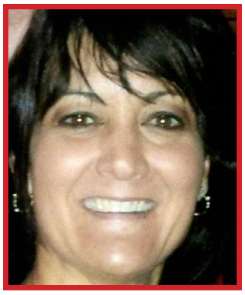

Speaking of viewing the publication online, please pay extra attention to how show results are formatted. A lot of time goes into finalizing the details to create a clean appearance. Be sure to follow the show results submission instructions on the website when submitting show results. If you have questions about formatting or abbreviations, feel free to contact me. Stricter adherence to submission guidelines is required for proper printing. Show results must be submitted by the deadline or they will be included in the following issue. No exceptions will be made.

Remember to send your stories and photos to **npgaeditor@gmail.com** so they may be included in future issues of 'The Pygmy Goat Memo.' Now turn the page for the latest, greatest, and goatiest content. More features, series, and stories will continue to be added along the way. Thank you for entrusting me as your editor. Happy goating!

Tattoo Tutorial

Tattoos are required on ALL registration applications, even if microchips are used. Microchips can be used in lieu of tattoos in goats, however their designated tattoos must be included on each registration application.

R The RIGHT tattoo: is the Herd prefix. Your prefix is assigned when you register your herd name with the NPGA. This prefix is tattooed into the RIGHT ear or RIGHT side of the tail web. All animals registered under the same herd name will have the **same** RIGHT tattoo.

L The LEFT tattoo: is the letter/number combination identifying each goat's birth order for your herd each year. This letter/number combination is tattooed into the LEFT ear or the LEFT side of the tail web. Each animal will have a **different** LEFT tattoo.

Left Tattoo Letters

V = 2026	Z = 2030	D = 2034	J = 2038
W = 2027	A = 2031	E = 2035	K = 2039
X = 2028	B = 2032	F = 2036	L = 2040
Y = 2029	C = 2033	H = 2037	M = 2041

The letters G, I, O, Q, and U are skipped.

Instructions

For the LEFT tattoo, use the NPGA designated LEFT tattoo letter to represent the year in which the kid was born (See chart above). Next, put the number to represent the order in which each kid was born.

When a new year begins, use the new letter assigned to that year. Start your birth order back over at 1.

Examples

V1 = the first kid born in 2026
V2 = the second kid born in 2026
V3 = the third kid born in 2026

W1 = the first kid born in 2027
W2 = the second kid born in 2027
W3 = the third kid born in 2027

New articles in the process of being written to submit to MEMO for publication in future issues. Dr. Chapman answered numerous texts and emails regarding health questions, identification requirements, illnesses and treatments.

COMMUNICATION: Ongoing communication with current committee, new committee members, E-Board, judges, candidates, convention host and membership. We have four candidates taking their test. (Austin Flood, David Cuffman, Tommy Means and Taylor Whitney) We have a few others that are eligible. At the time of writing this Report they were undecided. Zoom meetings are being held with current judges. Candidates' zoom meetings were held prior to the convention.

RULES & REGULATIONS: (R&R) None currently.

CON-ED POINTS/CON-ED: Zoom - We are currently using both a points system and a Zoom class for continuing education. JUNE 2026 Mini-Clinic/JE The JTC Committee prior to starting the test class will provide the candidates with pairs of animals to evaluate. The judges and candidates will be broken into small groups and

go through the stations (head/neck, bodies, legs and feet/tracking) They will be instructed to give reasons on how and why they would place them. The Judging Clinic was suspended in 2022 and that suspension was extended for two years in 2023. An additional extension to the suspension of the Judging Clinic was approved at the January 2026 board meeting. The JTC has been discussing alternatives to the Judging Clinic after reviewing data and feedback from the clinicians, JTC, and candidates that have participated in these programs. After reviewing feedback from candidates, clinicians, and JTC members we have decided on a shorter clinical rotation prior to the Judges Exam. This will be implemented as an optional (but highly encouraged) chance at education prior to the JE this year. Results and feedback from this new program will be helpful in providing future recommendations to the Board for further improvement to the JTC and JE process.

The JTC will select a member of the committee to oversee the session. This will be used as a tool to evaluate future recommendations to improve and change the Judging Clinic. This clinic will provide more hands-on learning for the candidates

BUDGET: We will be purchasing badges for the upcoming year.

The JTC report was unanimously received and accepted.

Public Relations

Public Relations Committee Chair Nicole Desmond reported: Social Media NPGA has 1,790 followers. During the second quarter of 2026 we had 26K views and 1.8K engagement score. Posts about National Pygmy Goat Day and Memo received the highest number of views and engagement. The second ad campaign only ran for a week and reached 2.1K accounts and had 32 click-throughs to the website. The ad spend was $39.76 or about $1.24 per click. Our next ad campaign will coincide with the National Champions being announced in June. Our Google Listing had 116 views in March, 91 in April and 5 for the first 5 days of May. We are up 25-105% when compared to the same time in 2025.
NPGA turns 50 copies of Goat Rancher Magazine and Hobby Farms Magazine were provided.

National Pygmy Goat Day: The press release went out on the wire April 21. The release received 1.8K views on the wire service and was published across the country in publications such as: Citizen Tribune, Ottumwa Courier, Messenger-Inquirer, Courier News, Goshen News, Bakersfield.com, Northeast Mississippi Daily Journal, and Mena FN.

Upcoming initiatives: National Champion Press Release Social media ads World Goat Day August 21.

As no other applications for the position were received, Nicole Desmond has been appointed permanent Public Relations chair.

Public relations report unanimously received and accepted.

Youth Board Committee
Youth Board Chair, Danyell Bebereia-Means, reported their activities including the National Pygmy Goat Day logo campaign, advocacy efforts with state government officials and ongoing scholarship applications, with three applicants currently being reviewed for scholarship awards. Youth board fundraising raised $508 through calendar sales. Several members of the youth board were reported on site at convention to assist with show activities, the judge's exam and fundraising activities.

The Youth Committee report was unanimously received and accepted.

Publications
Publications chair, Lisa Salmi reported the Publications Committee continues to review "MEMO" as well as several articles, ads and press releases for the PR Committee. The committee has been working on reviewing all NPGA publications. It was reported in January, 2026 of plans to produce a Fifty Years of NPGA National Champions publication. Considerable time has been spent scanning old copies of MEMO. While some photographs may

be successfully reproduced, most are of very poor quality and not printed in color. As a result, this project has been abandoned. Any photos found to be of decent quality will be forwarded to the MEMO editor for use in future editions of MEMO. There were no reported copyright infringements.

The Publications report was unanimously received and accepted.

Compliance Committee

Compliance chair, April Seiler reported the Compliance Committee has had no new complaints for 2026. Case 2025-2 was submitted for board review in January which was adjudicated at the January meeting. April requested communication regarding the board's decision on cases presented to the board. In addition, formal communication regarding the board's decision should be sent to parties involved. A notification when this occurs would be helpful, so records are complete. This helps close the circle in the process and ensures documentation on these decisions is accurate and complete. Changes to Rules and Regulations were voted on in June 2025 to update some of the parameters of how the Compliance Committee operates. Rule changes were made to update the committee and label it as a standing committee with the possibility of more compliance review instead of just facilitating an arbitration process. As part of this update the committee was deemed a "standing committee". With this reclassification, the committee would need to follow the R&R outlined for all standing committees. One of these rules is R&R 8A regarding posting members of the committee. For this committee, due to the nature of its duties, the committee members are kept anonymous. An agenda item is being submitted to address this situation so that the committee remains in compliance with the organization's governing documents and the committee members remain unpublished.

The Compliance Committee report was unanimously received and accepted.

The appointment of Compliance Chair, along with other positions, was discussed. An ad needs to be posted in The Pygmy Goat Memo and on the website, with the appointment of positions in January 2027.

COORDINATORS

Affiliated Clubs

The Affiliated Clubs Coordinator, Penni Rogers, reported no updates or corrections to affiliated clubs on the website.

The Affiliated Club report was unanimously received and accepted.

New Judge: Taylor Whitney

Hi! My name is Taylor Whitney, and I am from Alva, Florida. I became involved with Pygmy goats in 2011 after my parents brought home a Pygmy goat named Max for me to show at the local fair. After a few years, I began showing Max in NPGA shows, where I met other members and learned more about the breed. In 2017, I established my herd name, Rocking 3W Pygmies. Since then, I have raised more than 85 kids under my herd name, including two PGCH bucks, one PGCH doe, and two Platinum wethers, each earning First Runner Up National Champion Wether. As my experience and involvement in the breed grew, I knew that becoming an NPGA judge was one of my long-term goals.

Outside of raising goats, I am a student at the University of Florida majoring in Agricultural Education & Communication. I plan to graduate with my Bachelor's Degree in December before continuing my education in a graduate program in agricultural leadership.

I want to sincerely thank all of the friends, judges, and mentors who invested their time in me throughout this journey. Your constant guidance and support played an essential role in helping me reach this goal. I am excited about this next step, and I look forward to continuing to learn, meeting new people, and seeing goats across the country.

Show Coordinator
Show Coordinator, Sue Seiler, reported there have been 29 events January through May 2026: 64 Doe shows, 55 Buck shows, and 68 Wether shows. The numbers are lower than last year: 34 events, 80 Doe shows, 72 Buck shows, 83 Wether shows. Show income through April is $19,597.50, compared to the same time last year $17,378.00. The National Champion Challenge trophies were ordered and sent to Peg Galvin. In April, Pirate Ship (postage company) warned that there may be a temporary increase in shipping due to the increase in fuel price.

The Show Coordinators report was unanimously received and accepted.

Report of Awards
Report of Awards Coordinator, Deb Graf, reported processing a total of 18 shows as of May 2026. She reported an issue with one GCH Buck ROA which will not record as the ROA was not completed correctly. Deb reiterated the importance of judges and show chairs checking the paperwork thoroughly before submitting to NPGA.

The Reports of Awards report was unanimously received and accepted.

Elections
No report was received by the election coordinator.

DEPARTMENT REPORTS

The Pygmy Goat Memo
Memo Editor Brittany Swackhamer reported the Winter 2026 issue was our first publication with the new printer, and the quality improvements have been amazing. Many members have reached out expressing excitement and appreciation for the better paper quality and printing. The printer has also been great to work with. We did address the delivery delays, but those issues were related to USPS rather than the printing process itself. Even so, they offered to make it right by mailing additional copies to the Central Office. They also sent a separate copy directly to the Memo editor via UPS, which arrived overnight. Their willingness to help resolve the situation has been a refreshing improvement over our previous printer. As part of the 50th Anniversary celebration, all four 2026 publications will feature 'Articles from the Archives,' highlighting NPGA history and memorable moments from previous publications.

The Memo Editor's report was unanimously received and accepted.

Webmaster
Webmaster Rogers continues to do weekly uploads to the Herdbook. The new upload procedure that Jeff Darnton created is much easier than the previous process and updates new owners, which is something we haven't had in years. A value count loading issue was found with the ROA platform, which was resolved by Jeff Darnton. Changes and updates are made to the website almost daily, with many plug-ins that are not user friendly. With new AI developments, a more easily managed website can be created in the future that will function more smoothly.

The Webmaster's report was unanimously received and accepted.

Merchandise
No report was provided for Merchandise.

AD HOC COMMITTEES

HerdBook Committee
Vice President Rogers reported the committee met several times to evaluate funding options for upcoming projects. Members explored the feasibility of grants versus private donations, noting that while some grant opportunities may be applicable, many are not currently open and tend to have restrictive requirements. As a result, private donations may offer more flexibility.

Work continues on the development of the new HerdBook platform. Significant progress has been made in reviewing and correcting legacy data issues to support a smooth transition to the updated system. A subscription-based proposal outlining support and upgrade phases has been submitted, with development hours to date being donated by Jeff Darnton. The committee acknowledges the financial impact of the project and is considering multiple funding approaches. Additional options and a demonstration of current progress will be presented at the next Board of Directors meeting.

The Herdbook Committee report was unanimously received and accepted.

An alternative herdBook platform was proposed. However, because the proposal was introduced late, had not yet been fully researched, and significant work had already been completed on the current option, a motion was made to proceed with Phase 1 of the HerdBook build with Jeff Darnton.

MOTION 2026-25 **Rogers/Hepner** **Pass 13-2-0**

I move to proceed with phase 1 of the HerdBook build.

YES: Aragon, Beaver, Braziel, Hepner, Howard, Hubbard, Krebs, Kress, Morgan, Norman, Rogers, Struthers, Te Grotenhuis
NO: Read, Seiler

Dee's Acres
THE HERD THAT HELPED BUILD A BREED

WRITTEN BY MICHAEL ANDERSON • LOUDONVILLE, OH

As we reflect on the past 50 years of NPGA, this evening we celebrate dedication, legacy, and the history that shapes our community.

When the National Pygmy Goat Association was born in 1976, it began as a vision shared by a small community of passionate enthusiasts. Those early years required commitment, careful recordkeeping, and a profound respect for establishing a true breed standard from a very small initial population.

It was during this defining era in 1976 that Walt and Dee Genda acquired their very first pygmy goats from two zoos in Indiana. Their foundational efforts soon cemented their place in our history books. They became the proud home of the very first registered pygmy buck in the association, Dee's Acres Kunta Kinte (1M), and the very first registered pygmy doe, Dee's Acres Kizzy (1F). In fact, Dee's Acres would go on to become the home of seven of the first ten registered does in the entire association, helping preserve and stabilize the breed.

Tonight, we honor one of the oldest herds in NPGA history recognizes a breeding program that has not only withstood the test of time but has served as a living bridge to our foundational roots. This herd represents decades of responsible preservation, consistency, and a lifelong commitment to the unique qualities of the pygmy goat.

Please join me in recognizing an extraordinary legacy of excellence as we present the Oldest Herd Award to tonight's honoree, Dee's Acres.

George Starbuck
A LEGACY OF LEADERSHIP, KNOWLEDGE, & DEDICATION

WRITTEN BY SARAH COVERT • LYNCHBURG, OH

Few individuals have left as lasting an impact on the National Pygmy Goat Association as George Starbuck. Through decades of service, leadership, judging, and mentorship, George helped shape the organization and the breed we celebrate today.

As a former President of the NPGA, George guided the association during a period of growth and increasing recognition for pygmy goats across the United States and beyond. His commitment to preserving breed standards, promoting responsible ownership, and supporting breeders earned him the respect and admiration of pygmy goat enthusiasts throughout the world.

George's expertise and reputation extended well beyond the United States. In 1985, he was invited to England to judge the first show of the Pygmy Goat Club of Great Britain, a historic event in the development of the breed overseas. His selection as the inaugural judge reflected the international respect he had earned for his knowledge of the pygmy goat breed and his commitment to maintaining sound breed standards. Through opportunities such as this, George helped strengthen connections among pygmy goat enthusiasts around the world and played a role in promoting the breed on an international stage.

A highly regarded judge and educator, George was known for his keen eye, fairness in the show ring, and willingness to share his knowledge with newcomers and experienced breeders alike. His reputation for excellence extended internationally when he was selected to travel to England in 1985 to judge the inaugural show of the Pygmy Goat Club of Great Britain. Being chosen to evaluate the first national show of a developing breed organization overseas was a testament to the confidence the pygmy goat community placed in his expertise and integrity.

Beyond titles and accomplishments, George's greatest contribution may have been his dedication to the people of the NPGA. He fostered friendships, encouraged future generations of breeders and judges, and exemplified the spirit of service that continues to strengthen our association today. Many members benefited from his guidance, his willingness to teach, and his unwavering support of the breed he loved.

As we celebrate the rich history of the National Pygmy Goat Association, we honor George Starbuck for his leadership, vision, and lifelong commitment to the pygmy goat community. His influence continues to be felt in the show ring, in breeding programs across the country, and in the enduring strength of the NPGA itself.

Thank you, George, for helping build the foundation upon which the NPGA stands today.

CELEBRATING 50 YEARS OF NPGA

1 The 1986 Illinois State Fair brought pygmy goats into the national spotlight when President Ronald Reagan met Rawne, a pygmy goat presented by 4-H member Carrie Marshall of Decatur, Illinois. The photo was reprinted with permission from the Chicago Sun-Times. Originally printed in the Fall 1986 Memo.

2 The Orange County Pygmy Goat Show, held November 12, 1977, was the nation's first pygmy goat show, with 49 entries and both NPGA and AGS sanctioning. The Spring 1978 Memo featured the show's champions, including Fort Werts Meg, Norsham Silver, Rosalie, and Boschett's Kadie.

3 In 1978, Fort Werts Meg made pygmy goat history as the first pygmy goat on record to receive the Master Champion Award. Owned by Ann Werts, Meg later earned Grand Champion at the 1978 AGS Convention Show, featured in the Fall 1978 Memo.
